A POWERFUL LEAP FORWARD

With its new, hybrid technology, Jeep® Grand Cherokee 4xe puts an impressive amount of power and torque under your command from the moment you press the accelerator pedal. This is no small feat; it's a giant step in the right direction when it comes to delivering pulling strength and passing power.

SUMMIT RESERVE 4xe IN BRIGHT WHITE

DEALER ePROCESS

BEAUTIFUL DESIGN ADDS TO THE SCENERY when you're traveling in an all-new Jeep® Grand Cherokee Summit® 4xe. Signature trapezoidal wheel wells help show off stunning 20-inch Polished aluminum wheels, bookmarking the illuminated door sills. Unique LED fog lamps give the renowned front fascia and its seven-slot grille a special glow. The Summit and the 4xe badges shine in a telltale hybrid Electric Blue, announcing its special pedigree within the Jeep® Brand. With additional acoustic second-row side glass in place, you'll experience an exceptionally luxurious, whisper-quiet ride when you travel in fully electric or hybrid mode. Standard.

DEP
DEALER ePROCESS

RE-CHARGE INTO THE FUTURE

This all-new Jeep® Grand Cherokee Summit® 4xe expands its legacy of luxury, incorporating modern comforts that soothe with smart utility that informs. Both front-row and second-row passengers benefit from developments that usher in a new era of exceptional elegance that's both luxurious and smartly efficient.

SUMMIT RESERVE 4xe WITH BLACK INTERIOR

DEP
DEALER ePROCESS

3.

THE INTERIOR OF THE ALL-NEW JEEP® GRAND CHEROKEE SUMMIT® 4xe CREATES A LEVEL OF HYBRID LUXURY THAT'S AN EXCEPTIONALLY RARE FIND. THE ECONOMIES ARE FOUND IN THE POWERTRAIN, AND A LONG LIST OF COMFORTS ARE READY AND WAITING FOR ALL TO ENJOY.

1.

2.

1. The Summit nameplate bears a legacy of premium luxury recognized around the world. Here, it's realized with a soft, quilted Nappa leather-trimmed interior that includes heat settings on all seats and ventilation for front-row occupants.

2. The leather-wrapped steering wheel is heated and comes with convenient fingertip controls for the 10.25-inch Driver Information Display (DID), entertainment and communication functions, as well as HVAC controls. Available.

3. For those who demand acoustic perfection, the premium McIntosh® Audio System is engineered to exceed expectations. With 19 carefully placed speakers, including a subwoofer, this system provides an unrivaled audio experience. Available.

DEALER ePROCESS

A NATURAL **WONDER**

Modern plug-in hybrid technology drives the Jeep® Brand into a new, smart lane of travel. Ride earth-friendly, backed by exceptional, dependable engineering and design.

You choose how and when to optimize the hybrid drivetrain via push-button controls on the dashboard. Select HYBRID for the best of both worlds, ELECTRIC to only use battery power, or E-SAVE to reserve battery power for later — like for low-emission zones in cities or driving through a majestic cedar forest — where you'll enjoy near-silent exploring with maximum torque and horsepower.

Getting powered up faster is as simple as parking in your own driveway with an available, simple-to-use smart-enabled Jeep Brand Level II EV Home Charging Station installed at your home.[4] The Level II charging unit can charge up to six times faster than typical Level I charging options.[5] You can utilize Qmerit, our approved collaborator, for installation.

DEP
DEALER ePROCESS

MASTERY MEETS
HYBRID EFFICIENCY

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

works to optimize the on- and off-road performance of every Jeep® Brand 4WD system. Selec-Terrain® lets you choose traction modes that automatically adjust to help you master every road condition you meet. And because the 4xe 4WD is powered by hybrid technology, you'll enjoy efficiencies at work within impressive capabilities.

DEALER ePROCESS

A TECHNICAL **MARVEL**

THERE'S BEAUTY IN STRENGTH, AND JEEP® GRAND CHEROKEE 4xe EXCEEDS AT DISPLAYING BOTH. THE 2.0L I-4 DOHC DIRECT-INJECTION TURBO PLUG-IN HYBRID ELECTRIC VEHICLE (PHEV) ENGINE WORKS WITH THE 16-KWH LITHIUM-ION BATTERY PACK, REGENERATIVE BRAKE BOOSTER AND 8-SPEED AUTOMATIC TRANSMISSION FOR 375 HORSEPOWER[3] AND 470 LB-FT OF TORQUE.[3] YOU'LL HAVE PLENTY OF STRENGTH AT TAKEOFF SO YOU CAN TOW UP TO 6,000 LB, WHEN PROPERLY EQUIPPED, WITH BEAUTIFUL CONFIDENCE.

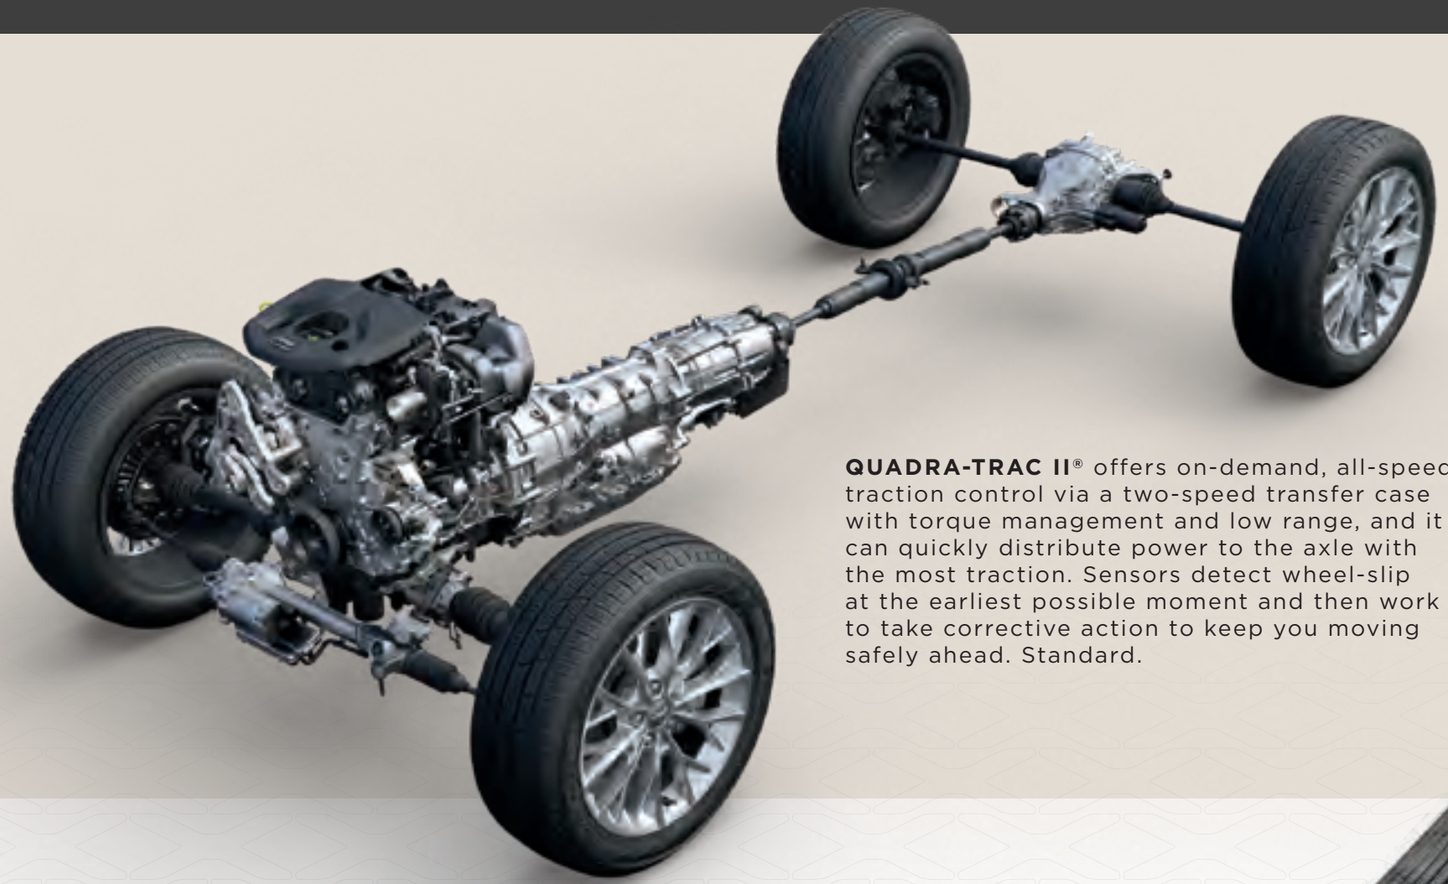
Use your available Quadra-Lift® Air Suspension System to raise Jeep® Grand Cherokee 4xe to its highest level of ground clearance. You're then able to confidently travel in up to 24 inches of water.[6] Grand Cherokee 4xe is engineered to take water fording[6] seriously, thanks to the placement and waterproofing of critical functions.

TRAILHAWK® 4xe IN SILVER ZYNITH

DEP
DEALER ePROCESS

WHETHER YOU'RE TRAVELING FOR WORK OR FOR PLEASURE, ROAD CONDITIONS CAN CHANGE IN AN INSTANT. YOU'RE HANDED THE CONFIDENCE TO FORGE AHEAD WHEN YOU'RE SUPPORTED BY A PROVEN JEEP® BRAND 4WD SYSTEM.

FROM THE CORNER OFFICE TO **ALL CORNERS OF THE GLOBE**



QUADRA-TRAC II® offers on-demand, all-speed traction control via a two-speed transfer case with torque management and low range, and it can quickly distribute power to the axle with the most traction. Sensors detect wheel-slip at the earliest possible moment and then work to take corrective action to keep you moving safely ahead. Standard.

4x2

MOST CAPABLE
GRAND CHEROKEE EVER

GRAND CHEROKEE TRAILHAWK® 4xe blends Jeep® Brand capability and advanced hybrid technology all at once. A sway-bar disconnect improves articulation and traction over rocks and rough terrain during off-road maneuvers. The standard Quadra-Trac II® 4WD system is fully operational in all-electric mode, where you can listen in near silence to Mother Nature's soundtrack in all its glory.

OFF-ROAD PAGES hands you a new perspective on the unpredictable path ahead. It makes good use of your standard 8.4-inch or available 10.1-inch touchscreen radio to show you real-time vehicle information while operating in off-road positions. Information tabs and the Off-Road Status Bar display drivetrain status, transfer case, pitch and roll, Forward-Facing Off-Road Camera,[7] GPS coordinates, altitude and much more. Standard.

DEALER ePROCESS

1.

2.

3.

4.

JEEP® GRAND CHEROKEE TRAILHAWK® 4xe TAKES ON ADVENTURE WITH PLENTY OF COMFORT ALONG FOR THE RIDE. AN IMPRESSIVE FRONT DASHBOARD AND CONSOLE PRESENTS GAUGES, CONTROLS AND FULL-COLOR SCREENS WITHIN A PLUSH, LUXURIOUS INTERIOR DESIGN. THIS MASTER OF THE TRAILS INVITES YOU TO PRESIDE OVER A NEW BREED OF HYBRID STYLE, CRAFTED FOR THOSE WHO APPRECIATE FINERY AND DEMAND PRECISION.

1. You're invited into a plush cabin outfitted with Capri leather- and suede-trimmed seats with elegant Surf Blue accent stitching; all are heated, with ventilated seating for those in the front row.

2. Grip the Trailhawk branded heated steering wheel for support while blazing winter trails. You'll employ the steering wheel buttons to accomplish important tasks like making and taking phone calls, adjusting and setting cruising speeds, and scrolling through the multiple screens on the full-color 10.25-inch Driver Information Display.

3. Brushed chrome accents, bezels and trim adorn the steering wheel, door handles, toggles and knobs, adding elegance and subtle shine.

4. The Trailhawk badge adorns the front seatbacks, reminding all who enter that this 4xe SUV remains a dominant player in the 4WD arena.

STAY THE COURSE WITH AMAZING SAFETY AND SECURITY TECHNOLOGY

NEW ACTIVE DRIVING ASSIST SYSTEM[17]

Helps you simultaneously keep your vehicle centered in its lane, on straightaways and curved roads alike, and maintain a safe distance from others while cruising at a desired speed on divided highways. Available.

ACTIVE LANE MANAGEMENT SYSTEM[17]

Provides a visual and audible warning should the vehicle drift outside of lane boundaries or if the driver's hands are off the wheel. Standard.

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP AND GO[18]

Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Jeep® Grand Cherokee 4xe to a complete stop, without driver intervention, to help avoid a collision. Standard.

NEW NIGHT-VISION CAMERA[19]

An infrared eye mounted on the front grille detects pedestrians and animals crossing the vehicle's pathway. The driver is notified in time to take appropriate action. Available.

SUMMIT 4xe IN BRIGHT WHITE

DEP
DEALER ePROCESS

NEW ACTIVE DRIVING ASSIST SYSTEM[17]

NEW HEAD-UP DISPLAY

HIGH-STRENGTH STEEL SAFETY CAGE

A FIREWALL BETWEEN YOU AND THE WORLD

NEW TECHNOLOGY AND ENGINEERING USHER YOUR SAFETY AND SECURITY INTO THE FUTURE WITH A LONG LIST OF STANDARD AND AVAILABLE FEATURES ON EVERY JEEP® GRAND CHEROKEE 4xe MODEL. YOUR PEACE OF MIND IS ALWAYS TOP OF MIND.

NEW DROWSY-DRIVER DETECTION[18] Monitors steering wheel movement and provides an audible alert if the system detects that the driver is not correctly handling the wheel or if the vehicle is off track. Available.

NEW 360° CAMERAS[20] When activated, your vehicle's perimeter is displayed on your dash touchscreen. These cameras provide a top view, rearview and panorama view to assist you when parking, either manually or automatically. A convenient washer keeps the camera's lens clean. Available.

NEW HEAD-UP DISPLAY Drivers can maintain focus on the road ahead with the help of this full-color, 10-inch transparent windshield display. Driving cluster data is projected onto a safe viewing area on the windshield in front of the driver. Available.

STRONG AND LIGHTWEIGHT The exceptionally solid safety cage consists of high-strength steel paired with lightweight aluminum, designed to make Jeep Grand Cherokee 4xe light in weight while still providing a very strong foundation. Standard.

NEW INTERSECTION COLLISION ASSIST[21] Detects the risk of collision with intersection cross traffic and warns the driver of any oncoming risks, applying automatic braking when appropriate. Available.

NEW TRAFFIC SIGN RECOGNITION[22] Detects road signs ahead via a forward-facing camera and provides visual reminders on both your multi-view and Head-Up Displays. Available.

FORWARD COLLISION WARNING WITH ACTIVE BRAKING (FCW+)[19] Sensors detect when Grand Cherokee 4xe may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing 1.5 seconds of brake assistance if the driver does not react in time. Standard.

PARKVIEW® REAR BACK-UP CAMERA[20] Brings previously hidden rear objects to your attention, either on screen or with an audible warning, in good time to react. You can also keep an eye on anything in tow while in motion. Standard.

BLIND SPOT MONITORING[23] **AND REAR CROSS-PATH DETECTION**[20] Monitors the space between you and other drivers, and you're notified when a side or rear blind spot is encroached. Standard.

PARALLEL AND PERPENDICULAR PARK ASSIST[24] This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes ParkSense® Front Park Assist[24] sensors. Available.

ADVENTURE AWAITS

(1) Manufacturer's estimated miles per gallon equivalent (MPGe). Actual mileage may vary. (2) Based on manufacturer's estimates of greenhouse gas emissions and previous Jeep Grand Cherokee generations. (3) Based on 2.0L I-4 PHEV engine, 16-kWh lithium-ion battery and 8-speed automatic transmission. (4) Requires purchase and professional installation. See dealer for details. (5) Charging times can vary based on the acceptance rate of the vehicle. (6) Do not attempt water fording unless depth is known and consistent with the vehicle's water fording rating in the Owner's Manual. Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (7) Always be aware of your surroundings and drive carefully, consistent with conditions. (8) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (9) SiriusXM Audio, SiriusXM Traffic Plus and SiriusXM Travel Link require subscriptions, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. (10) Requires compatible iPhone. See dealer for phone compatibility. Data plan rates apply. Vehicle user interface is a product of Apple. Apple CarPlay is a trademark of Apple Inc. iPhone is a trademark of Apple Inc., registered in the US and other countries. Apple terms of use and privacy statements apply. (11) To use Android Auto on your car display, you'll need an Android phone running Android 6 or higher, an active data plan and the Android Auto App. (12) Vehicle must be enrolled in an active subscription with Jeep Connect. (13) Available on properly equipped vehicles with a Uconnect 5C / C NAV system. Requires a Wi-Fi Hotspot plan and linked Amazon account to run Alexa in the vehicle. (14) You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to Jeep Connect in order to use remote services. See Terms of Service for service limitations. (15) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to Jeep Connect in order to use remote services. See Terms of Service for service limitations. (16) To use Vehicle Finder, you must have the Jeep App with Jeep Connect installed on a compatible smartphone and have an active subscription to Jeep Connect. (17) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and maintain control of the vehicle. (18) This system is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (19) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (20) Always check entire surroundings visually before proceeding. (21) This system is an alert system for the front and sides of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (22) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact recognition and display of the sign. Always check traffic signs visually while driving. (23) Always check visually for vehicles prior to changing lanes. (24) Always look before proceeding. An electronic drive aid is not a substitute for conscientious driving. Always be aware of your surroundings.
