HERO Eddy

Find my bike -

Trouble finding your vehicle? Horn and flasher activation through your mobile app will help you locate your vehicle in the parking lot.

All LED Lights -

Never a dull moment with Eddy. Powerful LED lights ensure safety in the dark with higher visibility

Follow Me -

Easily move out of poor light conditions with this feature. Just keep the head-lamp on for a few seconds and let the lights guide you home.

Telescopic Suspension -

Improve your ride quality with telescopic suspension. It is built to assure a smooth and jerk free ride.

Tubeless Tyres -

Our tubeless tyres provide excellent grip on road. Ensuring confidence and stability in all conditions.

Digital Instrument Cluster -

Get all information about your bike with the modern and stylish digital instrument cluster.

ELock -

Connect your vehicle through Bluetooth to Lock and unlock your vehicle or use your handlebar switches to use the same.

Reverse Mode -

Go backward without any hassle especially when you are stuck in tight parking spaces.

USB Port -

Forget charging worries. Charge your device easily by connecting it to the USB port on the go.

Large Boot Space -

Enough space to carry all your knick - knacks.

Portable Battery -

Skip petrol pump queues. Detach your battery and charge it at the ease of your home or office.
