ABOUT US

For over 32 years we have been serving to build a better world

KLB KOMAKI PVT LTD

w w w . k o m a k i . i n

Don't worry, you're in safe hands.

KLB KOMAKI PVT LTD is a trusted name in Bearings and Driveshaft Business since 1987.

KLB KOMAKI has ventured in the ELECTRIC VEHICLE BUSINESS since 2016. We are one of the most reliable and well equipped manufacturers of Electric Vehicles with best services at nominal prices. KOMAKI ELECTRIC VEHICLE DIVISION includes E-Rickshaw, E-Scooters & E-Loader. All vehicles have been manufactured with highest quality spare parts with arrangement for excellent customer service.

KOMAKI ELECTRIC SCOOTERS "XGT KM" is our top selling model. The vehicle is trendy, comfortable, light weight and the battery can be detached easily for charging at home or work. With more than 200+ dealerships in pan India Komaki Electric is aiming to reach sales target of 1 lakh e scooters until 2020.

Our infrastructural unit is based in Delhi with offices and warehouses in Delhi NCR. We have a well equipped production and assembly unit accompanied with excellent sales and marketing team aiming to provide highest quality product and after sales services.

01. Large Production Capacity

We have well equipped production unit with latest technology and highest quality testing that helps us meet maximum capacity.

02. ICAT Approved Model

All Komaki vehicles are ICAT approved that ensure best quality and safety control.

03. Customised Vehicles

YES! We customise vehicles according to your need to achieve effective prices compared to the market prices.
