

THE MINI CONVERTIBLE.

# LIVE UNFILTERED.

Feel the exhilaration of the wind in your hair and the sun on your skin: opening the electric soft top also opens new horizons and perspectives. The MINI Convertible inspires you to see things differently today to how you saw them yesterday and to experience the world with a whole new intensity.

When the open road stretches out ahead of you, enjoy that "go-kart" rush with the roof down. What's more, thanks to smart networks connecting the digital and automotive worlds, it's never been easier to find the fastest or most scenic route to your destination.

# WHAT'S YOUR SUPERPOWER?

Are you after a leisurely cruise or a quick spin? When it comes to power and performance, the three MINI Convertible models offer something for every sun-seeker – all with cutting-edge MINI Twin Power Turbo technology. The 7-speed automatic transmission is fitting as standard on the Cooper and the Cooper S. Switching between the MINI Driving Modes of MID, GREEN and SPORT changes the driving style in terms of steering and acceleration.

① MINI Driving Modes. ② Electronic gear selector lever for 7-gear double-clutch transmission.

## COOPER S.

Full speed ahead: The 2.0l 4-cylinder petrol engine with 141kW delivers a dynamic driving performance. This is further enhanced by the air intakes in the bumper and bonnet, the rear apron with diffuser insert and centrally positioned dual tailpipes.

## COOPER.

The Cooper's 1.5l 3-cylinder petrol engine delivers 100kW – the perfect combination of power and efficiency. Special features: Contrasting colour available for the mirror caps, safety bar, grille fins and tailgate handle in high-gloss black, 16inch light-alloy wheels and chrome-plated tailpipe trims.

# THE FREEDOM OF CHOICE.

With six different colours to choose from, you can make your MINI Convertible an eye-catching expression of your personal style. The roof is available in two different styles, the mirror caps can either be in the body colour or in the contrasting colour Jet Black. Of the 4 light-alloy wheel options, spanning a range of different styles and sizes from 16-inch to 18-inch, we present a selection of 4 design highlights for you on the page opposite.

# EXPRESS YOURSELF.

To help you make the interior of your MINI Convertible as individual as you are, we offer a range of interior elements such as Colour Lines and interior surfaces in various colours and materials. These can be combined with up to nine seat covers and other design features for a truly personalised look.

For that extra special touch, we have developed the MINI Yours design range, featuring exclusive materials and craftsmanship to reflect the British heritage. A perfect pairing: the decorative cockpit trim with the backlit Union Jack.

① Leather seats in Chester Malt Brown (Not available in South Africa). ② Colour Line Satellite Grey | Interior colour Satellite Grey | structural elements and decorative rings in Piano Black. ③ John Cooper Works leather sports steering wheel. ④ The only four-seater in its class to offer such generous legroom and headroom | leather seats\*

# TAKE YOUR SEAT IN THE SUN.

Whether it's cloth, leather, leatherette or a combination of materials you prefer, you'll find what you are looking for in our nine options. You have four design elements (shown to the right) as building blocks for your individually designed interior. With the Colour Line, you define the colours of the door armrests and knee rolls, whilst your choice of the interior surfaces determines the material of the decorative door trim strips and cockpit trim strips.

**MINI YOURS.** Experience the luxury feel of the MINI Yours leather Lounge Carbon Black seat, with its classic Union Jack design on the front of the headrest, its striking piping and its immaculate workmanship. In a MINI Yours seat, you can really feel the difference, however long the drive.<sup>1</sup>

## 3 THE 2 STRUCTURAL ELEMENTS.

Optional interior surfaces are combined with structural elements in Piano Black. In the standard design of the MINI Cooper, these elements are in Hazy Grey.

## 4 THE 2 DECORATIVE RINGS.

The decorative rings around the speakers, door openers, outer air vents and the gear selector lever are available in Piano Black.

# A CAR FOR OPEN MINDS.

Live for the moment – and enjoy the very best view. Having a sharp angled front windscreen and the most spacious interior in its class, the MINI Convertible allows up to four people to see more of their surroundings. Smart technology and thoughtfully designed features open up new avenues to explore each and every day. Plus, that open-air feeling gives you the boost you need to turn those spontaneous plans into a reality.

① LED headlights with Matrix light functionality. ② Easy Load system | LED rear lights with Union Jack design. ③ Wind deflector | rollover protection system, concealed within the bodywork. ④ 360-watt Harman Kardon® hi-fi system with 12 speakers. ⑤ MINI Head-Up Display. ⑥ 22.4 cm/8.8" touchscreen (in connection with MINI Connected Navigation Plus) | reversing camera | automatic climate control. ⑦ Electric soft top opens in under 20 seconds.

# MINI CONNECTED: WELCOME THE WORLD.

Create the perfect link between your MINI Convertible and your digital life. MINI Connected seamlessly integrates your smartphone, various smartphone apps and the MINI Connected app with your MINI – which is equipped with its own SIM card. So you have new ways of interacting with the car, including for example smart voice control, remote services or your personal concierge. The smart navigation learns frequently visited destinations, takes real-time traffic information into consideration and gets you from A to B even more effectively. The MINI Connected app is a mobile extension of your car that keeps you in touch with your MINI and what's happening around you.

## READY TO FEEL THE WIND IN YOUR HAIR?

It goes without saying, no words or pictures in a brochure can ever really convey that rush you get from driving with the hood down – the only way to discover that is on a test drive. Experience it for yourself by booking a test drive with your MINI dealer – then get behind the wheel, buckle up and reach for the start button. Put pedal to the metal and discover the exhilarating sensation of fresh air rushing past, the wide-open view and that unique go-kart feeling that MINIs are famous for. It's guaranteed to put a smile on your face.

Engine – MINI Convertible		Cooper	Cooper S
Engine/transmission <sup>1,2</sup>			
Cylinders/configuration/valves per cylinder		3/inline/4	4/inline/4
Displacement	cc	1499	1998
Nominal power/rated speed	kW/hp/rpm	100/136/4500 – 6500	141/192/5000 – 6000
Max. torque/revs	Nm/rpm	220/1480 – 4200	280/1350 – 4600
Compression ratio/fuel	:1	11/RON 91 MIN	11/RON 91 MIN
Mileage			
Maximum speed	km/h	206	230
Acceleration 0 – 100 km/h	s	8.8	7.2
Consumption <sup>1,2</sup>			
Urban	l/100 km	6.9 – 6.7	8.7 – 8.3
Extra-urban	l/100 km	4.9 – 4.5	5.5 – 5.2
Combined	l/100 km	5.6 – 5.3	6.7 – 6.4
CO <sub>2</sub> emissions, combined	g/km	128 – 121	152 – 145

<sup>1</sup> All figures relate to vehicles with the standard 7-speed DCT transmission.

<sup>2</sup> The values shown for fuel consumption, CO<sub>2</sub> emissions and energy consumption are calculated in accordance with the measurement method prescribed in the European Regulation (EC) 715/2007 in the version applicable at the time of approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tyres available on the selected model and may vary during the configuration. The values are already based on the new WLTP test cycle and have been translated back into NEDC-equivalent values for the purpose of comparison. For these models, different values to those shown here apply when calculating taxes and other vehicle-related duties that (also) focus on the CO<sub>2</sub> emissions.

The models, standard and optional equipment and combinability of options in this brochure relate to cars supplied by BMW AG for the German market.

The availability of standard and optional equipment, and configurations of options, may vary for all models in this brochure after going to press (December 20th, 2019) and may vary from country to country within the European Union. For detailed information about the situation in your country, please contact your authorized MINI dealer. Subject to changes in design and equipment.

At the end of the use phase, all vehicles can, of course, be recycled and re-used. Additional information about returning your old vehicle can be found on our website at [www.mini.co.za/recycling](http://www.mini.co.za/recycling)
