

THE MINI COUNTRYMAN.

ADD STORIES.

The people you never hear from are always the ones with the stories to tell. Chances are that they're in a MINI Countryman, living each day like an adventure. Being a comprehensively equipped Sports Activity Vehicle, it offers all the sturdy qualities of an off-roader, so you and up to four passengers can follow the unbeaten track in absolute safety and comfort.

The MINI Countryman is linked with the dynamic stability control (DSC) programme. It delivers the optimum driving torque in any driving situation, continuously splitting it between the front and rear axle – for perfect traction, maximum stability and exhilarating cornering.

COOPER S.

Better, faster, stronger: With a 2.0 l 4-cylinder petrol engine (141 kW) the Cooper S packs the biggest punch. Hallmarks include the red S on the rear, side scuttles and the mesh radiator grille with inner Chrome trim. Twin Chrome-plated tailpipes (right and left).

COOPER.

A 1.5 l 3-cylinder petrol engine (100 kW) offers a handy blend of oomph and economy. Special features: A classic MINI contrast colour is available for the roof and exterior mirror caps. The tailpipe comes with a Chrome trim. Bonnet stripes available on request.

CHOOSE YOUR OWN PATH.

Colour makes the world a brighter place and says something about us as a person. You can choose from 6 eye-catching paint colours to give your Countryman a personal touch and stand out wherever you go. The contrast Jet Black colour for the roof and mirror caps provides score for an even more personalised look. The light-alloy wheels are available in 4 different designs, ranging in size from 17" to 19". A selection of seven of these are shown to the right².

TOUGH ON THE OUTSIDE, ELEGANT ON THE INSIDE.

A delightful contrast: beneath the rugged exterior lies an interior of the finest surfaces and exquisite materials. The MINI Countryman strikes the perfect balance between dominance and elegance. Besides its ultra-high standards and exclusive extras, an array of different packages and trim levels are available. To create just the right atmosphere inside, you can choose from three interior styles, incorporating colours and materials that complement each other perfectly.

① Interior surface Piano Black | Colour Line Carbon Black. ② Rear seats in MINI Yours leather Lounge Carbon Black* | central arm rest in rear | Loading system with 40:20:40 folding rear seats. | fully or partially sliding 40:60 rear seat bench. ③ Interior surface Piano Black.*

THE EDGE OF YOUR SEAT HAS NEVER BEEN SO COSY.

When you're sitting comfortably, you get more out of your journey. That's why it's important to select the right seat cushion for you. Besides cloth and leatherette covers, there is also a variety of leathers to choose from. When it comes to choosing from the three different options, it is essential to consider how it ties in with the interior style – shown on the right.

TAKE IN THE VIEW. LIVE FOR THE MOMENT.

As big as it feels on the inside, the new Countryman is still a MINI through and through. Gliding through the city, coasting through the mountains – it's all effortless. Measuring just under 4.30 metres, it offers plenty of room to kick back and relax and still has the space for an adaptive luggage compartment boasting a capacity of 460–1390 litres. Add to this numerous smart features and carefully considered comforts for long journeys, which make time on the road all the more appealing and enjoyable.

- ① Panoramic glass sunroof | roof rails.
- ② Automatic climate control | MINI Driving Modes (MID, GREEN and SPORT).
- ③ MINI Head-Up Display.
- ④ 22.4 cm/8.8" touchscreen (in connection with MINI Connected Navigation Plus).
- ⑤ 450–1390 litre luggage capacity.
- ⑥ Hassle-free luggage access thanks to the Easy Opener function.
- ⑦ Bi-LED light for dipped and main beam function | LED cornering light.

YOUR TEST DRIVE – START WRITING YOUR NEXT CHAPTER.

The most memorable stories often begin with an encounter between two characters, whose paths cross and lead them to new experiences. What adventure awaits you on your first trip in the MINI Countryman? Book a test drive with your local MINI dealer to find out. Discover a new sense of freedom that may just lead you to places you never knew existed. Or see familiar routes in a completely new light. Get more out of life – in the MINI Countryman.

MINI CONNECTED: WELCOME THE WORLD.

Create the perfect link between your MINI Countryman and your digital life. MINI Connected seamlessly integrates your smartphone, various smartphone apps and the MINI Connected app with your MINI – which is equipped with its own SIM card. So you have new ways of interacting with the car, including for example smart voice control, remote services or your personal concierge. The smart navigation learns frequently visited destinations, takes real-time traffic information into consideration and gets you from A to B even more effectively. The MINI Connected app is a mobile extension of your car that keeps you in touch with your MINI and what's happening around you.

Engine- MINI Countryman	Cooper	Cooper S
Engine/transmission^{1,2}		
Cylinders/configuration/valves per cylinder	3/inline/4	4/inline/4
Displacement cc	1499	1998
Nominal power/rated speed kW/rpm	100/4500-6500	141/5000-6000
Max. torque/revs Nm/rpm	220/1480-4100	280/1350-4600
Compression ratio/fuel	11/91-98 RON	11/91-98 RON
Mileage		
Maximum speed km/h	200	225
Acceleration 0-100 km/h s	9.7	7.5
Consumption^{1,2}		
Urban l/100 km	7.4	8.0
Extra-urban l/100 km	5.6	5.8
Combined l/100 km	6.3	6.6
CO ₂ emissions, combined g/km	128	132

¹ All figures relate to vehicles with the standard 7-speed DCT transmission.

² The values shown for fuel consumption, CO₂ emissions and energy consumption are calculated in accordance with the measurement method prescribed in the European Regulation (EC) 715/2007 in the version applicable at the time of approval. The figures refer to a vehicle with basic configuration in Germany and the range shown considers optional equipment and the different size of wheels and tyres available on the selected model and may vary during the configuration. The values are already based on the new WLTP test cycle and have been translated back into NEDC-equivalent values for the purpose of comparison. For these models, different values to those shown here apply when calculating taxes and other vehicle-related duties that (also) focus on the CO₂ emissions.

The models, standard and optional equipment and combinability of options in this brochure relate to cars supplied by BMW AG for the German market.

The availability of standard and optional equipment, and configurations of options, may vary for all models in this brochure after going to press (December 20th, 2019) and may vary from country to country within the European Union. For detailed information about the situation in your country, please contact your authorized MINI dealer. Subject to changes in design and equipment.

At the end of the use phase, all vehicles can, of course, be recycled and re-used. Additional information about returning your old vehicle can be found on our website at www.mini.co.za/recycling
