

2022 LX

Can rocket science make a seat
more comfortable?

Can technology be so intuitive
that more of it feels like less?

Can having the best of all worlds
lead you to discover more of yours?

To craft the most amazing machines, you don't start with machines at all. You start with people.

The 2022 Lexus LX

LX

Completely reimagined to elevate the driver and drive to unprecedented heights, this is the next chapter of flagship luxury. More powerful than ever before, the 2022 LX features an all-new platform and a new 409-horsepower¹ twin-turbo engine. Its chassis delivers greater agility on-road, and a full-time four-wheel drive system improves capability off-road². Inside, the new Lexus Interface³ features a combined 19.3 inches of touchscreen access to wireless Apple CarPlay^{®4} integration, vehicle information and more. While class-leading standard Lexus Safety System+ 2.5^{5,6} provides greater peace of mind.

LX PREMIUM

Take the agile on-road handling of the LX to the next level with an Adaptive Variable Suspension. The contemporary LX interior is also enhanced with customizable Thematic Ambient Illumination and seating for seven. Comfort is made more personal with a heated leather-trimmed steering wheel, heated and ventilated front seats, and heated second-row outboard seats. And, for added convenience, the LX Premium features a Power Rear Door with Kick Sensor⁷ and third-row seating that folds flat with the press of a button.

LX LUXURY

Building upon the LX Premium, the LX Luxury commands attention with 22-inch forged wheels with machined finish and rewards you and your passengers with seating trimmed in soft semi-aniline leather, a heated wood- and leather-trimmed steering wheel, and ventilated second-row outboard seats. The new 25-speaker Mark Levinson^{®8} Reference Surround Sound enables you to unlock a deeper appreciation of music. While one-touch auto-arrange power-folding seats and an auto door closer make everyday tasks effortless.

LX F SPORT HANDLING

The first-ever LX F SPORT Handling pairs provocative style with exhilarating handling. Inside, bolstered F SPORT seats and race-inspired details can be found throughout. Outside, striking front and rear fascia designs are punctuated by exclusive head-turning 22-inch forged F SPORT wheels with Dark Gray Metallic finish. Of course, style is only one way to turn heads. An exclusive Torsen^{®9} limited-slip differential, front and rear performance dampers, and available Active Height Control combine to deliver the most thrilling on-road performance of any LX to date.

LX ULTRA LUXURY

Experience the epitome of craftsmanship for the senses. An intelligent suspension with Active Height Control provides an invigorating and refined ride. Inside, our first-ever four-seat configuration indulges with massaging rear-seat captain's chairs that recline up to 48 degrees.¹⁰ Trimmed in diamond-stitch semi-aniline leather, they also feature world-class accommodations including a power-retractable ottoman,¹¹ personal tray table, wireless charger,¹² and a Rear-Seat Entertainment System¹³ with individual or mirrored screens that fold out of view when not in use.

LX Luxury shown in Manganese Luster¹⁴ (left), LX Ultra Luxury shown in Atomic Silver (right)

LX Luxury shown in Atomic Silver

When compromise is not an option and the driver is all that matters, this is the result. Delivering the ultimate in strength and refinement, an all-new platform serves as the foundation for five distinct and stunning models of the LX. Purposefully designed for those who recognize that the true measure of style is the substance beneath, the LX features a dramatically sculpted hood and new Premium Triple-Beam LED headlamps—all to help enhance visibility. A more dimensional grille design optimizes cooling performance. And the sleek, full-width Blade Taillamp isn't just captivating—its brilliance ensures that the LX always stands out.

A NEW STANDARD OF LUXURY

Completely reimagined to elevate your driving experience to unprecedented heights, this is the next chapter of flagship luxury.

LX Ultra Luxury shown with Black semi-aniline leather and Black Open-Pore Wood interior trim

INCOMPARABLE INDULGENCE

With the first-ever four-seat LX Ultra Luxury, the next luxury icon has been born.

While every aspect of the spacious LX interior was designed to reward the senses, the LX Ultra Luxury offers the epitome of world-class comfort. It's comfort that could only come by looking somewhere outside of the world itself. Using NASA research on neutral body posture in certain zero-G applications, Lexus crafted the reclining captain's chairs¹⁰ and ottoman¹¹ to position and hold passengers in their natural relaxed state.

Impeccable craft continues throughout. Beyond its uniquely contoured headrests, the seatbacks have specially engineered cushions to absorb vibrations, while providing support uniquely optimized for each part of the body. Intuitive technology embodies the ultimate in gracious hospitality, with a digital control panel that lets you personalize your seating position and then memorizes your preferences. Rear-seat entertainment displays¹³ can fold out of view when not in use. Even the air is made more accommodating. An advanced climate system with strategically placed vents, including in the ceiling, showers rear-seat occupants with soothing air set to their preferred temperature. This is luxury unlike anything you've ever seen or felt.

LX F SPORT Handling shown in Ultra White¹⁴

THE FIRST-EVER LX F SPORT HANDLING

Command attention and the road like never before with the debut of the LX F SPORT Handling. Forging a more visceral connection, unique tuning optimizes the LX's lower center of gravity for greater agility and boasts a Torsen limited-slip differential for further enhanced cornering, traction and straight-line stability. Lower and more dynamic front and rear fascias pair head-turning style with optimized aerodynamics. An exclusive black mesh grille takes the signature F SPORT grille design even further by enhancing cooling performance. And exclusive 22-inch forged F SPORT wheels, the largest ever on an LX, punctuate its athletic stance while keeping unsprung weight low for optimal handling.

The distinctive design continues inside, where you'll find exclusive F SPORT upgrades including performance-inspired instrumentation. F SPORT front seats are engineered to grip you through high-G turns and feature enhanced bolsters and badged headrests. And, for added distinction at every touchpoint, you'll find a perforated leather-trimmed sport steering wheel and shift knob, aluminum pedals and more.

GET AWAY FROM IT ALL AND TAKE IT ALL WITH YOU

Discover uncharted spaces in a spacious interior filled with thoughtful accommodations. From available power fold-flat third-row seating to automated seating configurations that offer more space for more spontaneity, the new LX offers the adventurer everything but compromise.

FOLD-FLAT THIRD ROW

Now offered on the LX, power 50/50-split third-row seats can be reclined for added comfort when in use and folded flat into the floor when more space is needed. For fast, convenient access to a more expansive cargo area,¹⁵ simply press the button adjacent to the rear door to automatically fold or unfold the seats.

AUTO-TUMBLE SECOND ROW

Your passengers can now enjoy more seamless access to and from the third-row seats. By pressing a button on the second-row shoulder, the driver's seat temporarily moves forward while the second-row seats automatically tumble forward and out of the way.

AUTO-ARRANGE FUNCTIONALITY

Now with just the press of a single button, you can configure all the seating automatically to provide maximum cargo space. First, the front seats temporarily move forward, then both second and third rows fold down.

LX Luxury shown with Palomino semi-aniline leather and Brown Open-Pore Wood interior trim

LX Luxury shown in Atomic Silver

A NEW PARADIGM OF PERFORMANCE

When greater agility on-road combines with added capability and confidence off-road, a new world of possibility unfolds.

Crafting a driving experience around the driver’s senses means there is no meeting halfway. It means going all in on an all-new engine that’s smaller, yet more powerful. Engineering an entirely new platform that’s lighter and has a lower center of gravity, with a frame that is as strong and rigid as before. And enhancing handling systems to make every road, or off-road,² more exhilarating than ever. It’s the best of all worlds, crafted for one purpose: to empower you to discover more of yours.

MORE POWER.
MORE EXHILARATION.

Pairing the strength of a new twin-turbo V6 with the agility of a handling system so advanced it changes with every curve, the LX empowers like never before.

NEW TWIN-TURBOCHARGED V6

Elevating performance on every road, the all-new LX engine is smaller, yet more powerful. Its twin-turbocharged V6 delivers 409 horsepower¹ with 479 lb-ft of torque¹ for instantaneous power. Its new 10-speed Direct-Shift automatic transmission is designed to select the optimal gear for every condition. And with Trailer Sway Control¹⁶ and an improved 8,000-lb towing capacity,¹⁷ this world-class flagship is primed and ready for even more possibilities.

ACTIVE HEIGHT CONTROL

Twice as fast and offering four unique height settings, the new available Active Height Control system takes the driving experience further. On rough roads, this system partners with off-road² driving functions to make height adjustments to each individual wheel, allowing for greater wheel articulation to help you confidently overcome harsh terrain. At highway speeds, the system defaults to a lower center of gravity for optimized stability and handling. By integrating both the front and rear suspensions, the system can even detect a sharp turn of the steering wheel as you enter a curve and automatically respond to help reduce body roll by nearly 25% compared to the previous LX.

ENHANCED ON-ROAD AGILITY

Responding to drivers as well as the road, the new driver-selectable Adaptive Variable Suspension offers improved response to changing driving situations thanks to more instantaneous damping force. This smoother and more precise control results in enhanced ride comfort and more ideal composure throughout the cabin, even reducing rocking of the vehicle when traversing rough terrain. Adding further refinement to the driving experience is the LX's new Electronic Power-Assisted Steering, which helps optimize steering response at both high and low speeds.

LEXUS SAFETY SYSTEM+ 2.5⁶

Peace of mind comes standard with this suite of class-leading standard active safety equipment.⁵ It includes a Pre-Collision System with Pedestrian Detection,¹⁸ Lane Departure Alert with Steering Assist,¹⁹ All-Speed Dynamic Radar Cruise Control,²⁰ and more.

8,000-lb
towing capacity with Trailer Sway Control

LX FSPORT Handling shown in Manganese Luster¹⁴

LX Luxury shown in Eminent White Pearl¹⁴

ENGINEERED FOR ADVENTURE

Pushing the boundaries of off-road capability, the only question is: Where will you go first?

MULTI-TERRAIN SELECT

An innovative new Multi-Terrain Select system provides more integrated control of the drive force and suspension, further enhancing off-road² capability and control over varied landscapes. The operating range of controls has been extended for use on a wider variety of terrains, from snow-covered roads to intensive off-road driving. And the Lexus-first Auto mode can select the optimum mode using sensors combined with the driver's braking and throttle inputs.

CRAWL CONTROL

Activated with just the press of a button, Crawl Control²¹ is designed to automatically maintain an optimal slow and steady pace over challenging terrain. Turn Assist can also tighten your turning circle by adding brake force to the inside rear wheel.

FULL-TIME FOUR-WHEEL DRIVE

The Torsen torque-sensing limited-slip center differential with electronic differential lock efficiently distributes engine power between the front and rear axles, optimizing traction in a wide variety of conditions. Four-wheel Active Traction Control helps keep you on course and feeling secure by using sensors to detect and help prevent wheel slippage.

The greatest technology is that which takes the least effort to understand—technology so intuitive that having more of it actually feels like less. Case in point, an all-new Lexus Interface³ that seamlessly connects you via touchscreen—or voice—to an available Intelligent Assistant²² that gets smarter over time. And wirelessly integrates with Apple CarPlay⁴ for your iPhone, or Android Auto.^{TM23} It's the convenience of more than 19 inches of screen access, including a lower display that's designed to inform, not distract. The product of relentless imagination and human-centered design, this is technology as it should be.

A NEW DEFINITION OF CONNECTIVITY

Experience next-generation technology so intuitive and personal it feels like an extension of you.

LX Luxury shown with Black semi-aniline leather and Black Open-Pore Wood interior trim (left), LX interior shown with Apple CarPlay⁴ integration for your iPhone® (right)

SEE AND DO MORE. EVEN WHILE INSIDE.

Designed for the senses, the LX offers the pinnacle of thoughtful convenience and impeccable refinement.

LEXUS INTERFACE

The all-new Lexus Interface³ offers connectivity that’s seamless and intuitive. An integrated Intelligent Assistant²² enables you to control most features with just your voice, and gets smarter over time. Cloud Navigation²² offers more accurate directions. Wireless charging¹² and integration with Apple CarPlay⁴ and Android Auto²³ offer the ultimate in convenience. While Profiles allow different drivers to create personalized settings that can go from vehicle to vehicle.

MULTI-TERRAIN MONITOR

For greater visibility during off-road² excursions, the advanced Multi-Terrain Monitor²⁴ uses the upper display to show a variety of distinct camera views from under the vehicle to keep the driver informed. The innovative Underfloor View and world’s-first Back Underfloor View provide images of the area underneath the vehicle and around the rear wheels. While the lower display shows pertinent information like throttle inputs, vehicle tilt and more.

MARK LEVINSON REFERENCE SURROUND SOUND

Unlock a deeper appreciation of sound and experience music in its highest fidelity with new, available Mark Levinson Reference Surround Sound. Boasting 2,400 watts and 25 speakers meticulously positioned throughout the cabin, this bespoke system envelops you in a three-dimensional soundscape that’s crafted by the same masters who engineer six-figure home audio systems.

REAR-SEAT ENTERTAINMENT SYSTEM

The available dual-screen Rear-Seat Entertainment System¹³ enables two video sources to be viewed at the same time on the 11.4-inch LCD screens with headphones. For added convenience, an HDMI port and two USB²⁵ charging ports are available in the back of the center console.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime[®]. Learn more about these services at lexus.com/specialists.

LX STYLES

LX

Standard features on every LX:

- 20-in alloy wheels with machined finish
- Lexus Interface³ with 12.3-in touchscreen display
- 7-in vehicle information display
- 8-in multi-information display
- Panoramic View Monitor²⁶
- Multi-Terrain Monitor²⁴

- A
- Wireless charger¹²
 - Bluetooth^{®27} and USB²⁵ smartphone connectivity
 - Safety Connect,²⁸ Service Connect,²⁹ Remote Connect,³⁰ Wi-Fi Connect³¹—with AT&T Wi-Fi hotspot and Integrated Streaming (Apple Music^{®32} and Amazon Music³³ compatibility). (4G network dependent.)
 - Drive Connect²² trial with Cloud Navigation, including Google³⁴ points-of-interest (POI) data; Intelligent Assistant, including Hey Lexus; and Destination Assist. Subscription required. (4G network dependent.)
 - Lexus app (Remote Connect³⁰ engine start, service scheduling, Vehicle Health Reports/Alerts and more)
 - Wireless Apple CarPlay^{®4} integration
 - Wireless Android Auto^{™23} compatibility
 - SiriusXM^{®35} 3-month Platinum Plan trial subscription is included
 - 10-speaker Premium Sound System
 - Four USB²⁵ ports
 - Five-passenger leather seating
 - Headlamp washers
 - Premium Triple-Beam LED headlamps
 - Blade Taillamp
 - Windshield wiper de-icer
 - Heated front seats
 - Power rear door
 - Power tilt-and-slide moonroof
 - Auto-dimming rearview mirror with HomeLink^{®36} system
 - 8,000-lb towing capacity¹⁷
 - Lexus Safety System+ 2.5⁶
 - Blind Spot Monitor³⁷
 - Intuitive Parking Assist with Auto Braking³⁸
 - Complimentary maintenance services.³⁹ (Please refer to the *Warranty and Services Guide* for details.)

LX PREMIUM

Includes LX features, and adds or replaces:

- Adaptive Variable Suspension
- Head-Up Display
- Thematic Ambient Illumination
- Seven-passenger seating
- Power fold-flat third row
- Heated and ventilated front seats and heated second-row outboard seats
- Heated leather-trimmed steering wheel
- Power Rear Door with Kick Sensor⁷
- Six USB²⁵ ports

LX LUXURY

Includes LX Premium features, and adds or replaces:

- 22-in forged alloy wheels with machined finish
- One-touch auto-arrange power-folding seats
- Heated wood- and leather-trimmed steering wheel
- Semi-aniline leather-trimmed seating
- Ventilated second-row outboard seats
- Rear-seat manual sunshades
- Mark Levinson^{®8} 25-speaker, 2,400-watt Reference Surround Sound
- Cool box
- Auto door closer
- Illuminated door sills

LX F SPORT HANDLING

Includes LX Premium features, and adds or replaces:

- 22-in forged F SPORT wheels with Dark Gray Metallic finish
- F SPORT-tuned suspension
- Torsen^{®9} limited-slip differential
- F SPORT front fender badges
- F SPORT front fascia and mesh grille insert
- F SPORT rear bumper with rear valance
- F SPORT semi-aniline leather-trimmed seats
- F SPORT perforated leather-trimmed heated steering wheel
- F SPORT aluminum pedals
- Illuminated door sills
- Cool box
- Rear stabilizer bar
- Performance dampers

LX ULTRA LUXURY

Includes LX Luxury features, and adds or replaces:

- 22-in forged alloy wheels with Silver finish
- Active Height Control
- Rear-Seat Entertainment System¹³ with dual 11.4-in screens
- Rear-seat wireless charger¹²
- Digital Rearview Mirror
- Second-row captain's chairs
- Power right-rear ottoman¹¹
- B
- Diamond-stitch seats with embossed headrests
- Rear massaging seats
- Reclining rear seats¹⁰ (up to 48 degrees)
- Rear-center armrest and table
- Four USB²⁵ ports

DISCLOSURES

WARRANTY Four-year/50,000-mile Lexus Limited Warranty. Six-year/70,000-mile Powertrain Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the *LX Warranty and Services Guide* at your Lexus dealer for details.

1. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **2.** The LX is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Lexus encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area. **3.** Lexus Interface services depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. Trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle and may vary by model, model year or trim. See usage precautions and service limitations in *Owner's Manual* and *lexus.com* for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. **4.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay and iPhone are registered trademarks of Apple Inc. **5.** 2022 LX vs. 2021/2022 competitors. Information from manufacturers' websites as of 6/17/2021. **6.** Lexus Safety System™ 2.5 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **7.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations. **8.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **9.** Torsen® is a registered trademark of JTEKT Torsen, Inc. **10.** Rear-seat leg rest may not fully raise based on height of passenger. Do not allow passengers to sit in a seat that has been fully or severely reclined while driving. This feature is intended for use only when the vehicle is parked, the greater the risk of death or personal injury. See *Owner's Manual* for additional limitations and details. **11.** Do not use the ottoman (reclining) feature when the vehicle is in motion. Only use when the vehicle is stationary. If the ottoman feature is in use during an accident, the lap belt may slide past the hips. This could result in restraint forces being applied directly to the abdomen, or your neck may contact the shoulder belt, increasing the risk of death or serious injury. See *Owner's Manual* for additional limitations and details. **12.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **13.** A single HDMI port is included in the center console. Video content may also be streamed wirelessly using the Miracast app on compatible devices. Requires app download and registration/subscription after trial (if applicable). See app for terms and conditions. The app may use large amounts of data; you are responsible for charges. **14.** Manganese Luster, Ultra White and Eminent White Pearl available for an additional charge. **15.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **16.** Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road condition, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **17.** Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have any necessary additional equipment. If gross trailer weight is above 5,000 lb (2,268 kg), it is necessary to use a weight-distributing hitch with sufficient capacity. Do not exceed any Weight Ratings and follow all instructions and cautions from your trailer-hitch manufacturer and vehicle *Owner's Manual*. The maximum amount you can tow depends on the total weight of any cargo, occupants and available equipment. Installation of a tow-hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See *Owner's Manual* for limitations. **18.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **19.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **20.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **21.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details. **22.** Drive Connect availability and accuracy depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. See *Owner's Manual* and *lexus.com* for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. **23.** To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at google.com/android/autot/ requirements. Vehicle user interface is a product of Google and its terms and privacy statement apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android Auto is a trademark of Google LLC. **24.** The Multi-Terrain Monitor view is limited and can be affected by environmental conditions. See *Owner's Manual* for additional limitations and details. **25.** May not be compatible with all mobile phones, MP3/WMA players and like models. **26.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **27.** The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. **28.** Safety Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and *lexus.com* for additional details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Safety Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. **29.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and *lexus.com* for additional details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service, and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration. **30.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and *lexus.com*. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts/>. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply. **31.** Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to atc.com/lexus for terms and conditions. Data usage and charges apply. Up to 10 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. **32.** Apple and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. **33.** Amazon Music and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. **34.** Google is a registered trademark of Google LLC. **35.** Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349.** Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **36.** HomeLink and the HomeLink® house icon are registered trademarks of Gentex Corporation. **37.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **38.** Intuitive Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 19 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **39.** Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's *Warranty and Services Guide* for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **40.** Projected EPA-estimated MPG ratings determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **41.** All Accessories (Genuine Lexus and F SPORT) installed at the time of retail vehicle delivery are warranted for the same time as the new-vehicle warranty (48 months/50,000 miles). Accessories purchased after retail vehicle delivery and installed by an authorized Lexus dealer are warranted for 12 months from date of purchase or installation, regardless of mileage, or the remainder of any applicable new-vehicle limited warranty, whichever is greater. Accessories purchased over the counter are covered for 12 months from the date of purchase. For all Accessories, refer to your accessory limited warranty or documentation that accompanies accessory purchase for coverage and conditions. Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **42.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **43.** Lexus Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **44.** Genuine Lexus Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **45.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **46.** Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
