

KICKS TURBO

NEW NISSAN KICKS

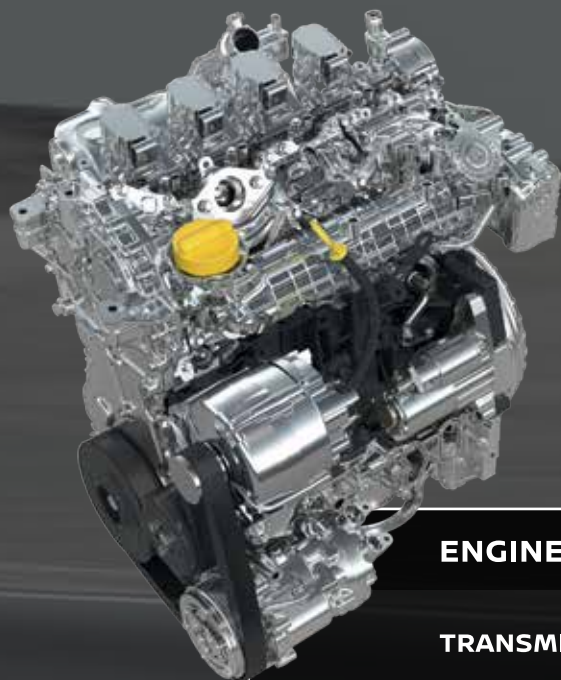

POWER ABOVE ALL.

Powerful. Purposeful. Impossible to ignore. And undoubtedly, the leader in its class. Truly, the new Nissan KICKS sets the standard for sports utility vehicles. It's all that you ever wanted, combined with all you would ever need. With unrivalled speed and performance, the KICKS evokes confidence with an undeniable presence. Powerful, indeed.

The most powerful engine

Nissan – the Japanese powerhouse – presents India with the most powerful engine in its segment. Borrowing tech from the legendary Nissan GT-R, the KICKS' engine comes with a unique cylinder coating, that boosts performance.

The most advanced CVT

From the makers of the most advanced CVTs across the world, comes the next generation Nissan X-tronic CVT which offers 40% less friction, contributing to a higher fuel economy and acceleration response.

ENGINE	HR 13DDT (BSVI) 1.3L	HR 13DDT (BSVI) 1.3L	HR 15 (BSVI) 1.5L
TRANSMISSION	CVT	MANUAL	MANUAL
POWER	156 PS @ 5500 RPM	156 PS @ 5500 RPM	106 PS @ 5600 RPM
TORQUE	254 Nm @ 1600 RPM	254 Nm @ 1600 RPM	142 Nm @ 4000 RPM

INTELLIGENT TECHNOLOGY

NISSAN INTELLIGENT MOBILITY

Imagine cars that can think, communicate, learn, predict, recharge, and do it all as your partner. This is Nissan Intelligent Mobility – A suite of advanced technology that creates a whole new way of driving your Nissan. It gives you the much needed peace of mind, opening up new experiences and keeping you connected to your world at all times. The future of driving has arrived. And it's exciting!

NissanConnect with 50+ features

CONNECTS YOU TO
ALL THAT MATTERS.

Be it the convenience of timely updates of Vehicle Health Status, Smart Drive Score, Automated Roadside Assistance or staying connected to your car and to things that matter, NissanConnect with its 50+ features delivers pure delight. As a part of Nissan Intelligent Mobility, it runs round-the-clock to provide you the best in safety and security. That means, you won't just drive the new Nissan KICKS, you'll stay driven by innovation.

WAY TO MY CAR

First-in-class Around View Monitor

LIGHTS. 360-DEGREE CAMERA. PARK!

Consider that you have eyes on all sides. The new Nissan KICKS offers the first-in-class, intelligent Around View Monitor. With four cameras in the Nissan KICKS, you can now get a 360° understanding of your surroundings all on one screen – The 8-inch infotainment screen. Now that's what we call 360° convenience!

BIRD'S EYE & FRONT VIEW

FRONT/REAR & SIDE VIEW

BIRD'S EYE & REAR VIEW

Voice Recognition with Floating 8.0 A-IVI

YOUR VOICE IS OUR COMMAND.

With the new Nissan KICKS, you can fill every drive with convenience. Just ask, and through Voice Recognition in the first-in-segment Floating 8.0 A-IVI, you shall receive. Make your journey even more memorable by connecting your Smartphone via phone mirroring (Android Auto / Apple CarPlay), Bluetooth, AUX or USB and find your groove while on-the-go.

First-in-class Remote Engine Start

THE KEY TO START ISN'T A KEY AT ALL.

Now here's a system that allows you to start the engine remotely using just the Card Fob. Press the Lock Button twice, followed by pressing the RES button for 2 seconds and voila, you're all ready to rev.

Idle Start-Stop System

LESS EMISSIONS. MORE COMFORT.

Be it city traffic or a herd of sheep blocking you in the mountains, the Idle Start-Stop System automatically stops the engine when the vehicle is brought to a halt and then activates the engine when you want. With improved fuel economy, we're sure that your wallet will thank us. And so will the environment.

AUTO HEADLAMPS

Automatic Headlamps and Cornering Fog Lamps

LET THE DARK FEAR YOU.

In the new Nissan KICKS with Auto Headlamps, we ensure the dark never catches you off-guard. Equipped with acute sensors, the KICKS' headlamps come alive in the blink of an eye without even having to flick a switch. Add to that, Cornering Fog Lamps ensure there are no surprises waiting around the corner.

CORNERING FOG LAMPS (FOR ADDITIONAL VISIBILITY WHILE TAKING A TURN)

UNMATCHED PERFORMANCE

Born and bred to dominate, the new Nissan KICKS stands true to its name. With superior craftsmanship, attention to minute details and strength of character, this new SUV's performance is engineered to excel on all terrains.

1.3L Turbo Engine

GOOSEBUMPS, GUARANTEED.

Energetic, power-packed and ready for peak performance. The new Nissan KICKS with its powerful 1.3L Turbo Engine is ever-so-willing to tackle any terrain, and always game to satiate your adventure cravings. With the best-in-class power output of 156 PS / 254 Nm under the hood, goosebumps are one of the many things guaranteed.

New Performance X-tronic CVT with 7-Step M-Mode

CHANGE IN MOOD?
CHANGE THE MODE!

From bumper to bumper traffic snarls to pristine unending highways, the new Nissan KICKS' CVT makes every drive one to remember. And when adrenaline takes over for those off-road manoeuvres, the 7-Step M-Mode is ever-ready!

Improved Fuel Economy with Turbo Powertrain

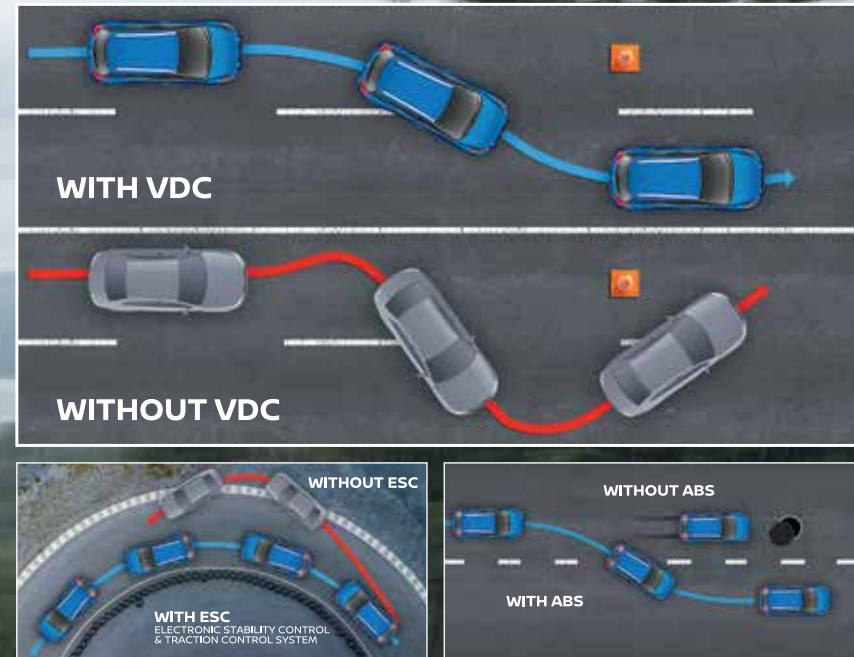

THRILL-SEEKERS, MEET THE
EFFICIENCY EXPERT.

Whether the goal is maximum performance or improved fuel economy, for us, the focus is on bringing incredible excitement to every drive. So don't fret the distance, just keep going. And why not drive on raw power while you're at it.

Vehicle Dynamic Control (VDC)

SHOW THE ROAD WHO'S BOSS.

Slippery roads, sharp curves, or abrupt shocks don't stand a chance when they're up against the new Nissan KICKS' Vehicle Dynamic Control. Its intelligent stability system brings your car back on track, giving you total control, instantly.

Hill Start Assist (HSA)

DEFY GRAVITY.

Driving up an incline or a hill – why let your stress levels go up too? With Hill Start Assist (HSA) in the new Nissan KICKS, never fear rolling back.

Cruise Control

EVERY ROUTE'S THE SILK ROUTE.

Hit the highway. Find your pace. Press Cruise Control and simply take your foot off the pedal.

That's convenience of the highest order. Now who needs to drive when you can simply, cruise?

SUPERIOR DRIVE EXPERIENCE

Out of all its generous capacities, what truly defines this SUV is its capacity to please. And when it comes to driving experience, the KICKS has enough class to create a class of its own.

First-in-segment Leather-wrapped Dashboard

LUXURY. IN DUAL TONE.

Step inside the new Nissan KICKS and you'll find all that suits your needs. Designed with individuality in mind, it takes style to the next level. The first-in-segment leather-wrapped dual tone dashboard is luxurious enough to inspire interior designers of tomorrow.

Quieter Cabin with better NVH performance

SILENCE INSIDE. ENVY OUTSIDE.

The new Nissan KICKS comes with a Quiet Cabin Space and improved NVH Performance, engineered for absolute driving pleasure. With such intelligence, you can expect the world to say great things. Alas, you may not hear them.

Rear Seat Armrest with Cup Holders

PERFECTLY BREWED CONVENIENCE.

A helping hand is always welcome. But a set of convenient cup holders built into the rear seat's centre armrest, even more so!

Best-in-class Ground Clearance (210 mm)

IF THE ROAD ASKS WHY,
ANSWER 'WHY NOT'.

There are more roads people dread driving on, than roads they look forward to. Bumpy roads, potholed roads, and sometimes, even no roads. But all this changes when you're in the new Nissan KICKS with the best-in-segment Ground Clearance of 210 mm. Next time you hit such a road, don't ask why. Just say WHY NOT!

Best-in-class Least Turning Radius (5.2 m)

EVEN AT OUR LEAST,
WE'RE THE BEST.

Big SUV, tiny roads? Turning might be a problem for most. But with the best-in-class Turning Radius of 5.2 m in the new Nissan KICKS, quick turns, tough turns, and clean turns are now easier done than said.

Auto AC

HIGH COMFORT QUOTIENT.

Some journeys are long, some trips are short. But your comfort levels will always be high with the KICKS' Auto AC function that keeps the cabin temperature as blissful as you want it to be.

Rain Sensing Wipers

IT'S POURING CONVENIENCES.

Intelligence should make life convenient, and here's the perfect example. The windshield wipers in the KICKS are deployed automatically when it senses rain. In other words, you don't activate it, the rain does it for you.

Advanced i-SPVT Technology for Superior Body Motion Control

CLEVER CONTROL.

From sharp corners to sudden swerves, our roads can be unpredictable at times. That's why the advanced i-SPVT technology limits the car body motion and puts you back in command.
