new energy engine

Triber offers a perfect balance of power and fuel efficiency at a low maintenance cost, making it ideal for India. Its peppy 1.0 litre 3-cylinder petrol energy engine generates 72 PS with 96 NM torque. The dual VVT system delivers maximum response at all revs to ensure optimum acceleration. Equipped with the Traffic Assist function, it allows effortless driving in city traffic conditions with an option to switch to the manual mode as per the driver's needs.
