28 Liters Boot Space

Bringing forth the
Xfactor

Get ready to hit the road in style with EBLU FEO X, India's first e-scooter with family size boot space. With a generous 28-litre capacity, it effortlessly accommodates all your family's essentials and more. What sets Eblu FEO X apart is its versatility and adaptability to keep everything organized and easily accessible. Now, say goodbye to cluttered boot spaces and hello to the Freedom of Xtra , Xtra convenience and Xtra comfort.

The E-Scooter Revolution for Every Generation

Crafted with a 'Door Ki Soch' mindset, this revolutionary ride is here to redefine norms. With its sleek design, cutting-edge safety features and luxurious comfort, this scooter makes every family outing even more enjoyable. So, say hello to electrifying your rides while being eco-conscious along the way.

Master the streets with the **Telescopic** Front Suspension

Now ride through the streets like a pro. Engineered to handle rough roads, this high-standard suspension keeps you steady and smooth even in the most challenging road conditions. No more bumps and bruises, only an ultimate hassle-free experience.

Elevate your ride with the **Dual Tube** Twin Rear Shocker

Get ready to tackle the bumps and conquer the roads. Crafted to effortlessly handle those big impacts, this high-grade rear shocker ensures you'll enjoy the best-in-class riding experience, every time. It's time to put an end to rough rides.

Ride smart.
Ride safe.

Equipped with disc brakes integrated with

CBS (Combi Braking System) technology

Whether you're zipping along the highways or riding through city streets, rest assured that EBLU FEO X has your back, no matter the speed or traffic situation.

Side Stand Indicator

No more stress, no matter what

Stay stress-free, even when you're rushing out the door. Designed with your safety in mind, the side stand indicator alerts you if you've forgotten to lift the side stand while on the go. It's your extra set of eyes, ensuring you stay safe and sound during those busy moments.

Make your ride uniquely yours

Experience sheer joy of riding pleasure with its impressive range of riding modes.

ECO

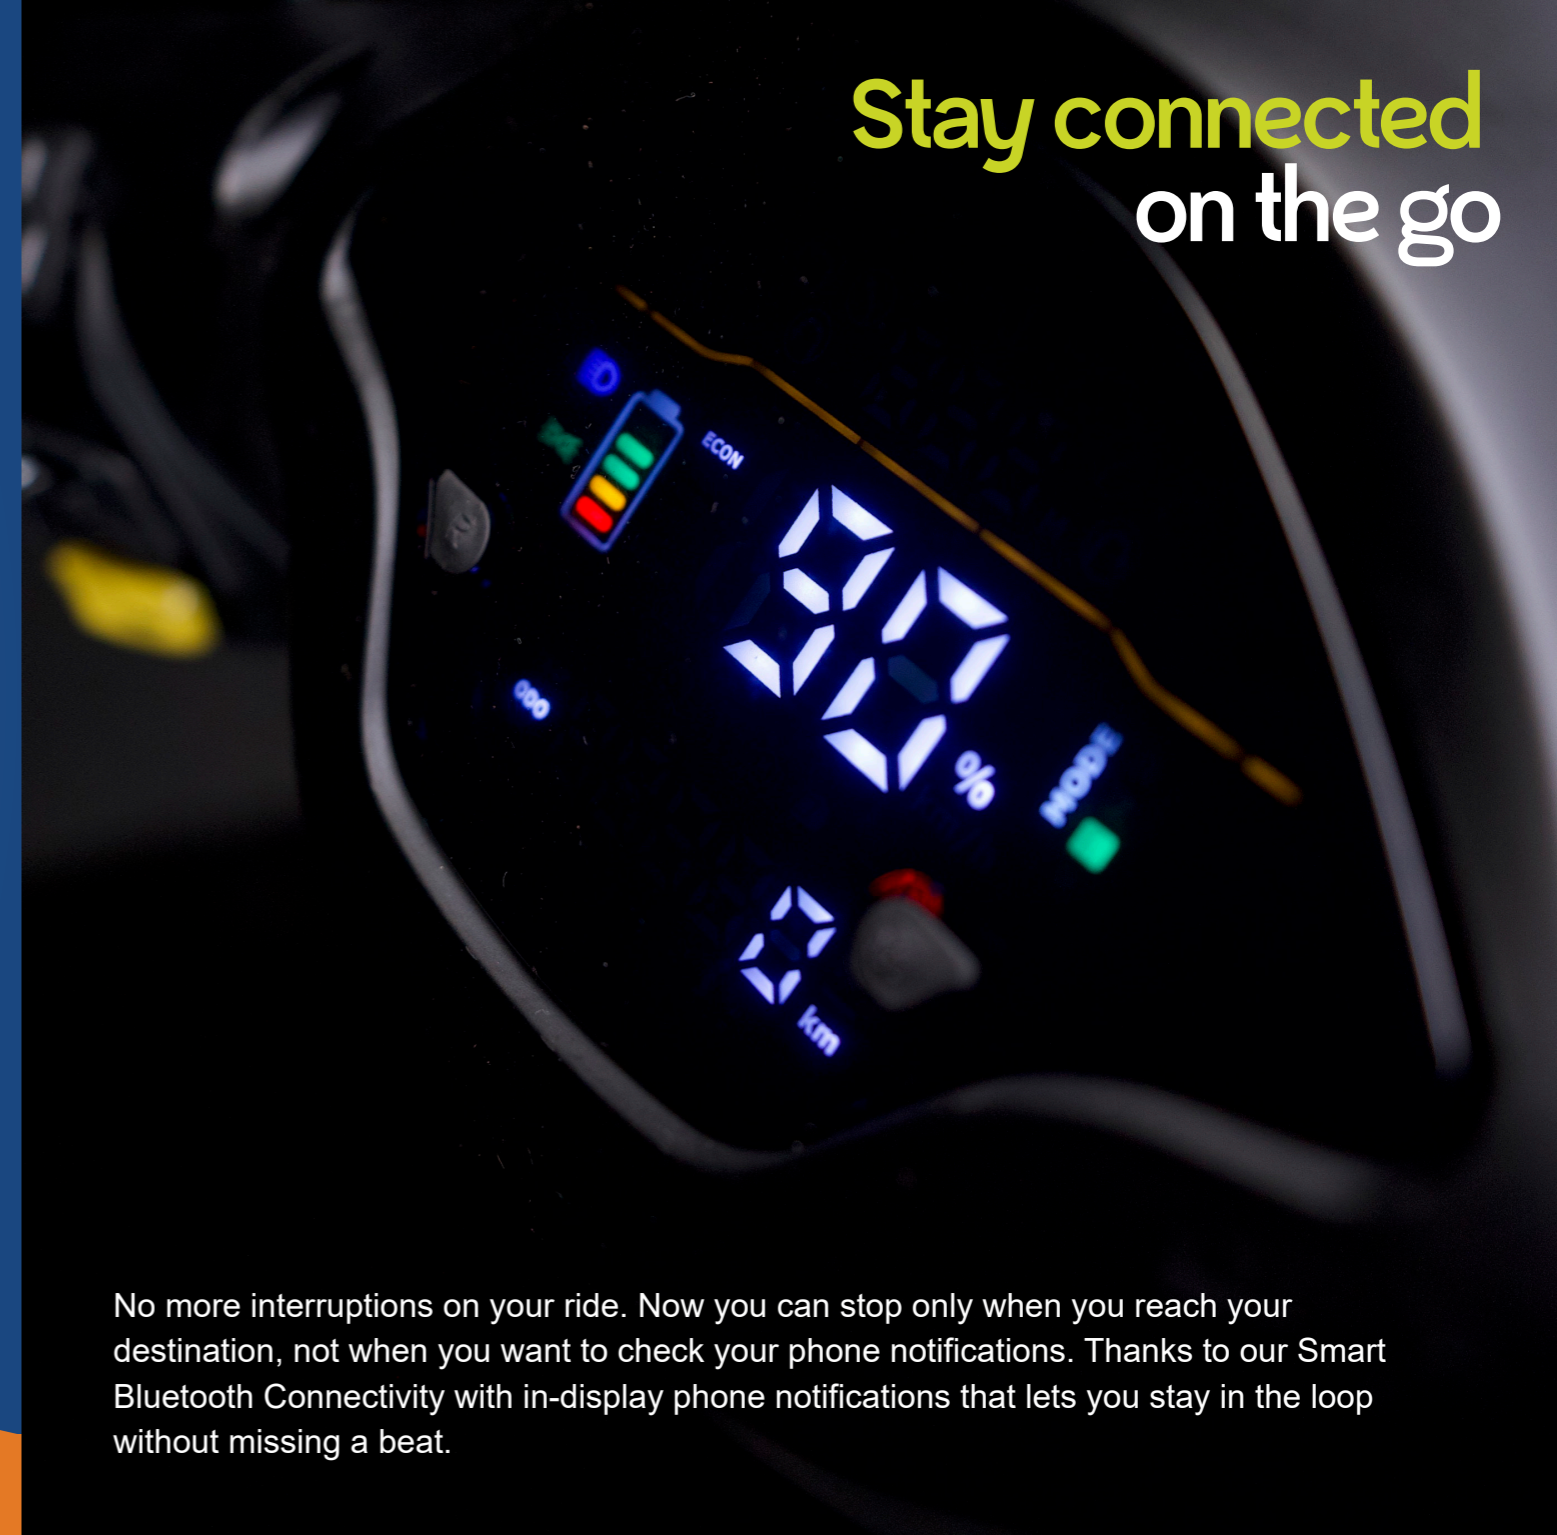

NORMAL

POWER

Stay connected on the go

No more interruptions on your ride. Now you can stop only when you reach your destination, not when you want to check your phone notifications. Thanks to our Smart Bluetooth Connectivity with in-display phone notifications that lets you stay in the loop without missing a beat.

Power
on the go

Did you forget to charge your phone before heading out? No problem! Stay powered up on the move with our USB Mobile Charging Port. Keep your devices charged wherever your journey takes you.

Your journey.
Your destination.

Long riding range of 110 km*

Get ready to go the distance with the powerful 59.2V floor mounted Li-ion battery, giving you an impressive riding range of 110 km* per charge. Let nothing hold you back.

Carry your world, every step of the way.

Whether it's groceries or a travel bag, this has plenty of legroom to handle any load you throw its way. No need to worry about space.

Maximize your storage

It's the ultimate storage hack for all your on-the-go essentials like your phone, wallet, and keys. Say goodbye to clutter and hello to convenience.

A dynamic range in dynamic colours
